Retraction Note: BMC Medical Genomics (2022) 15:57 https://doi.org/10.1186/s12920-022-01182-3

The Editors have retracted this article because of a significant overlap with an unpublished manuscript by different authors that was previously submitted to a different journal. The authors did not respond to requests for clarification nor to correspondence about this retraction. Published online: 17 April 2024

Publisher's Note
