Following the publication of the original article, the authors reported an incorrect funding statement. The correct grant number have been “No. ZR2022QH001”, not “No. ZR202111290609” as shown in the published version.

Thus, the correct funding note is as follows: This work was supported by the China Postdoctoral Science Foundation (grant no. 2023M732138), the Natural Science Foundation of Shandong Province (grant no. ZR2022QH001) and the Science and Technology Project of Binzhou Medical University (grant no. BY2021KYQD33). All fundings contribute to the design of the study and collection, analysis, and interpretation of data and in writing the manuscript.

The original article has been corrected.
